Subject: Request for Support

Since June 3rd 2009, the Burmese State Peace and Development Council (SPDC) junta has launched an offensive to Karen National Union (KNU) at Pa-an District, the 7th Brigade Headquarters by sending Democratic Karen Buddhist Army (DKBA) as the front line. The offensive seems to be continuing for the long term. This situation may already be known.

The KNU is firmly adhering to the principles of Karen national leader, Martyr Saw Ba Oo Gyi, and operating a fair war to establish a real federal Union. The KNU and KNU's territory is the main focus of the revolution and also is the main area of ethnic resistance groups and democratic forces struggling against the junta. Moreover, the KNU is the main group targeted by the SPDC junta for the upcoming 2010 election, which aims to enslave the citizens of Burma indefinitely through their control over the national Congress, and thus the SPDC junta continues to launch offensive attacks on the KNU.

For this above reason, the National Council of the Union of Burma (NCUB) has formed the Supporting Committee to support the KNU in defending their people against the enemy SPDC junta. The mission of the Supporting Committee is to provide supplies and cash there. Therefore, we kindly request your generous support in the form of as much material supplies and cash as you can provide.

Respectfully,

Khaing Soe Naing Aung
